Profile

As a highly skilled Software Developer, my passion for innovation and problem-solving drives me to seek a challenging IT position. I am eager to leverage my technical skills and experience in designing and developing cutting-edge software solutions. My goal is to solve complex business problems, streamline processes, and enhance user experiences.

Education

2021 – 2023/05	Master's of Computer Application (MCA)
Ahmedabad, India	<i>GLS University</i>
2018 – 2021/05	Bachelor's of Computer Application (BCA)
Ahmedabad, India	<i>GLS University</i>

Professional Experience

2023/01 – present	.NET + Angular Developer
Ahmedabad, India	<i>TechnoMark (Internship)</i>
As a .NET + Angular Developer, I played a crucial role in designing, developing, and implementing innovative software solutions using the .NET framework and Angular. My responsibilities included working collaboratively with cross-functional teams to gather requirements, analyze business needs, and translate them into technical specifications.	

Technical Skills

Web Development	● ● ● ● ●	Programming Languages	● ● ● ● ●
.NET		C/C++	
Angular		C#	
NodeJS		Java	
HTML/CSS		Python	
JavaScript/TypeScript			

Publications

2022/08	Generation of Machine Learning Dataset from RDBMS for Clustering and Association Analysis
	<i>Gradiva Review Journal</i>
We looked into how to create a machine learning dataset from an existing relational database applied unsupervised machine learning algorithms to it, assessed those methods, and then compared the results.
