Soumy Oza *Software Developer*

✉ ozasoumy2000@gmail.com 📞 9687611260 📍 Ahmedabad, India 📅 27th May 2000

Profile

As a highly skilled Software Developer, my passion for innovation and problem-solving drives me to seek a challenging IT position. I am eager to leverage my technical skills and experience in designing and developing cutting-edge software solutions. My goal is to solve complex business problems, streamline processes, and enhance user experiences.

Education

Master's of Computer Application (MCA)   2021 – May 2023 | Ahmedabad, India
GLS University

Bachelor's of Computer Application (BCA)   2018 – May 2021 | Ahmedabad, India
GLS University

Professional Experience

.NET + Angular Developer   January 2023 – present | Ahmedabad, India
TechnoMark (Internship)
As a .NET + Angular Developer, I played a crucial role in designing, developing, and implementing innovative software solutions using the .NET framework and Angular. My responsibilities included working collaboratively with cross-functional teams to gather requirements, analyze business needs, and translate them into technical specifications.

Technical Skills

Web Development (.NET Angular NodeJS HTML/CSS JavaScript/TypeScript)

Programming Languages (C/C++ C# Java Python)

Publications

Generation of Machine Learning Dataset from RDBMS for Clustering and Association Analysis   August 2022
Gradiva Review Journal
We looked into how to create a machine learning dataset from an existing relational database applied unsupervised machine learning algorithms to it, assessed those methods, and then compared the results.
